CBTASA MEMBERSHIP

Membership can be applied for from one or more CBT models (example on the CBTASA Therapists page).

Criteria:

a.) Accredited Member:

Being an Internationally accredited Trainer or Supervisor: Certified by an official credentialing body as an Internationally Accredited Trainer & Supervisor, as an example; The Albert Ellis Institute, The Academy of Cognitive Therapy, BABCP as well as;

An internationally accredited member: Those that have recognizable International Accreditation at an official credentialing body, such as; Certification with the Academy of Cognitive Therapy (www.academyofct.org), or Associate Fellowship from the Albert Ellis Institute (www.albertellis.org/professional-rebt-cbt/trainings/), or Certification with the Beck Institute (, www.beckinstitute.org/certification), or from EACBT

(www.eabct.eu/training-and-accreditation). Third generation CBT models criteria per inquiry (contacts on CBT page)

b.) Academic Member:

Those that teach or have taught CBT at Master's degree university level, and/or have considerably contributed to the development of CBT i.e. in research

c.) Advanced Associate Member:

Having completed a comprehensive CBT course and evaluation (i.e. theoretical and practical testing) of international standard (CE accredited), physically or online, for several months, with 10 hours supervision, plus one year's experience thereafter. Examples of such courses would be longer term training programs such as a three month CBT program at Boston University, six to eight months Oxford Learning College online course, OCTC five month online course, nine month Behavioural Health (Cleveland Centre for Cognitive Therapy) distance education course, or equivalent SA university CBT module as part of a qualifying MA Psychology programme or;

having completed several, more advanced CPD accredited CBT workshops, skills classes, or international conferences, 10 hours of supervision. Examples of more advanced workshops would be added modules such as CBT for Depression, CBT for Personality Disorders, CBT for OCD, CBT for PTSD and skills classes such as Socratic Questioning, Case Conceptualization, etc. International conferences could include those organized by the WCCBT, IACBT, ABCT, BABCP, EABCT.

d.) Associate Member:

Attendance of six days or 40 hours of workshops in a specific CBT model at a CPD accredited institute, i.e. at the Centre for CBT, Schema Therapy Institute of SA, Practical CBT Courses in SA, SA DBT Institute, MBCT(IMISA), ACBS(SA), etc., or equivalent university CBT module as part of a qualifying MA Psychology programme. Examples of such workshops would be Essentials of CBT and CBT for Anxiety.

e.) Open Member:

Anyone interested in CBT and registered with their professional bodies and students of Psychology.

Please indicate with a cross, and the type(s) of CBT Model, applying for:
